## RECYCLING

LOFT are committed to the environment and make sure all recyclable materials are recycled, 89% of waste is sent to a refuse-derived fuel (RDF) facility and converted to electricity. Over 3,000 mattresses have been recycled through a specialist mattress recycling facility where every mattress is taken apart and each component is separated to be recycled.

## PARTNERSHIPS

LOFT have partnered with the Embassy Charity. Launching in 2018, Embassy uses a re-purposed tour bus to provide emergency shelter and support to vulnerable male adults in Greater Manchester. LOFT donate £1 per bed frame sold through the LOFT Interiors brand, this helps to support the Embassy Bus. LOFT staff volunteer on the bus providing vital support to the residents of the bus.

## FURNITURE DONATIONS

LOFT regularly donate furniture to homeless charities including the homeless charity Embassy Bus providing furniture for individuals and families who have recently been rehomed. Over 2,000 pieces of furniture have been donated to charities helping to create a homely home and transform lives.

## ETHICAL SOURCING

LOFT build and maintain trusting relationships with suppliers and manufacturers worldwide. We know our supply chain inside out and only work with suppliers who demonstrate they operate with the recognised standards that uphold human rights and safety, prohibit modern slavery and promote sustainable sourcing.
